

Marita A. O'Brien

Assistant Professor of Psychology, Franciscan University of Steubenville
maobrien@franciscan.edu

Education

- Ph.D. Georgia Institute of Technology, Engineering Psychology (2010); Minor: Cognitive Aging
Thesis: *Understanding Human-Technology Interactions: The role of prior experience and age.*
- M.S. Georgia Institute of Technology, Engineering Psychology (2006)
Thesis: *Effects of shape, letter arrangements, and practice on text entry on a virtual keyboard.*
- M.S. University of Colorado, Boulder, Telecommunications (1994)
Thesis: *Personal mobility services and intelligent networks.*
- A.B. Duke University, Math/Economics (1988)

Academic Positions

Assistant Professor of Psychology, Franciscan University of Steubenville
August 2014 – present

Assistant Professor of Psychology, University of Alabama in Huntsville,
January 2010 – May 2014.

Lecturer, University of Alabama in Huntsville,
August 2009 – December 2009.

Instructor, Georgia Institute of Technology, Atlanta, GA. May-August 2008.

Teaching

Courses Taught

- General Psychology
- Lifespan Development
- Psychological Statistics
- Perception
- Cognition
- Human Research I
- Social Work with the Elderly
- Human Factors Psychology (undergraduate and master's), Distance Learning
- Decision-making and Human Error seminar (undergraduate and master's)
- Research Design (master's)

Guest Lectures

- Thinking/Problem Solving, Decision-Making, Attention, Situation Awareness, Stress & Sleep Management, Social Perception & Influence (Professional course for NASA conducted in 2011, 2012, 2013, 2014). *Behavioral Concepts of ISS*

Payload Operations Integration. UAHuntsville, Division of Professional and Continuing Studies, for NASA/Teledyne Brown.

- Facilitator: *Systems Analyst Orientation*. Deloitte Consulting

Students Supervised

Master's Graduate Students, Spring 2014; Spring-Fall 2013; Fall 2012; Fall 2011
 Research and Creative Experience for Undergraduates, Summer 2012, 2010
 President's Undergraduate Research Award, Summer 2009; Spring 2006
 Senior Undergraduate Thesis, 2007-2008

Professional History

Medical Device Fellow,
Human Factors, Center for Devices and Radiological Health (CDRH)
U.S. Food & Drug Administration (FDA), Rockville, MD
May – September 2006

Duties included:

- Developed prototype for revised Human Factors portion of web site for medical device manufacturers, health care professionals and engineers, consumers, and other FDA employees
- Recommended human factors components for medical device guidance documents
- Evaluated human factors safety components of pre-market submissions for medical devices
- Advised post-market surveillance committee on possible use-related issues related to adverse events.

Senior Manager,
Deloitte Consulting, Atlanta, GA and Sydney, Australia
1994 – 2003

Duties included:

- Provided management consulting expertise for twelve international corporations on speech recognition system design, IVR design, call center operations, call center technologies, network management operations, data center design, data communications design and customer service models.
- Managed consulting teams of up to twenty-five consultants at client-site projects.
- Taught two-week orientation course on 'Consulting Basics' for new systems analysts.
- Supervised career development for ten management consultants.
- Recruited management consultants to Deloitte by interviewing potential staff and coordinating recruiting events at the University of Colorado, Boulder.
- Served on Women's Leadership Committee in Atlanta, 2001-2003.

Network Analyst,
Morgan Stanley & Company, NY
1988 – 1992

Duties included:

- Coordinated installation and maintenance of PC software and hardware for 150 investment banking personnel.
- Designed, configured and supported international data communications network.
- Identified and resolved data communications problems in central communications operations support center.

Awards & Honors

Student Member with Honors
Human Factors & Ergonomics Society, 2006

Georgia Institute of Technology, Psychology Department
Aging Traineeship - National Institute of Aging (2004 - 2009)

Professional and Honor Societies

Tennessee Valley Chapter of Human Factors and Ergonomics Society
Treasurer, 2013 - present
President, 2011-2012
National HFES
Aging Technical Group Program Chair 2013
Aging Technical Group Secretary/Treasurer, 2010-2012
Association for Psychological Science
American Psychological Association, Division 20 and 21
Fellowship of Catholic Scholars
American Meteorological Society

Other Service Activities

Presentation, Gemelli Society at Franciscan University in Steubenville, *What is Human Factors?* March 4, 2015

Nadler, D., **O'Brien, M.**, & Schultz, E.J. Huntsville Madison Central Public Library, (Huntsville, AL) *Tornado and Weather Communication Town Hall*, March 26, 2014.

Barron, R., Carbin, G., Forbes, G., Knupp, K., Myers, L., Nadler, D., & **O'Brien, M.** Rocket City Weather Fest, (Huntsville, AL) *Weather Communication Town Hall*, February 22, 2014.

Presentation, Sigma Nu Fraternity at UAHuntsville, *Seven Habits of Highly Effective People and Applications to Personal Development* November 7, 2013.

Faculty supervisor for undergraduate student development of UAH psychology department experiment scheduling system, *Psych Sign-up*; Summer & Fall 2012.

Reviewer: *Gerontechnology, Applied Ergonomics, Journal of Homeland Security and Emergency Management, International Journal of Human-Computer Studies, Theoretical Issues in Ergonomics, IEEE Transactions on Human-Computer Systems, Journal of Telemedicine and Telecare, American Journal of Preventative Medicine*, Austrian Science Fund.

Faculty co-coordinator to *Careers in Aging* panel at UAHuntsville, co-sponsored by AGS (Alabama Gerontological Society) and Office of Diversity, April 2012.

Committee Member, UAH Task Force on Strategic Leadership Planning; 2012.

Panel Moderator, INCOSE Professional Meeting (International Council on Systems Engineering), *Moving human factors to the left in systems design*. Tennessee Valley Chapter, Huntsville, AL, February 16, 2012.

Presentation, Undergraduate Honors Colloquium, *Psychology of hazardous weather warnings*. February 2, 2012.

Presentation, HFES Professional Meeting (Human Factors & Ergonomics Society), *Everyday Technologies in Emergencies: Examining Consumer Usage*

from the 2011, Tornado-Driven power outage in Madison County, AL. Tennessee Valley Chapter, Huntsville, AL, August 9, 2011.

Presentation, PsiChi at UAHuntsville, *How should I prepare for the GRE?* 2010, 2011, 2012, 2013.

Presentation, Undergraduate Honors Colloquium, *Decision-making and Human error.* March 3, 2011.

Reviewer, TG's for annual Human Factors and Ergonomics Society Conference, Aging (2007, 2008, 2009, 2010, 2010, 2011, 2014); Student (2006, 2007, 2008, 2009, 2011); Training (2010, 2011, 2012), Safety (2012, 2014), Cognitive Engineering and Decision-Making (2010, 2011);

Judge, Alabama Science & Engineering Fair, Behavioral Sciences Division, 2010, 2011, 2013

Mentor, Sci-Quest, Expanding Your Horizon Conference. April 27, 2010.

Big Sister. Big Brothers & Big Sisters of Atlanta, 2002 – 2009.
