REGISTRATION INFORMATION

AUDITING CLASSES

Students wishing to audit a course must complete an Auditor Registration form and obtain both an advisor's and the instructor's signature. 'AU' should be written in the 'Credit' column. The auditor form must be submitted to the Registrar's Office before the last day to add/drop classes (Wednesday, January 26). The last day to change a previously registered course to an audit is Monday, January 31. Students who want to audit a class in Gaming must have the approval of the Dean of Academic Advising and Operations, Ann Dulany, before departure. The charge for auditing is the same as that for courses taken for credit. Financial aid cannot be used to cover an audit (part-time or over 18 credits). The professor reserves the right to require or restrict an auditor's participation in class discussions, examinations, laboratory work and other evaluation procedures. Auditors must attend classes according to the professor's attendance policy for auditors. Auditor students receive a grade of 'AUS', which confers no college credit. Withdrawal from an audited course will be indicated on a student's transcript by the symbol 'AUW'. Those who do not fulfill attendance obligations and have not formally withdrawn from the class will receive an 'AUU' on their transcripts.

CHANGE OF COURSE (ADD/DROP)

Consult your advisor before making any change of courses. Students may add/drop classes until Wednesday, January 26. After that time, a student who chooses not to take a course must withdraw. Course changes may be made online on MyFranciscan or at the Registrar's Office. Changes made at the Registrar's Office must be submitted on a registration form that is signed by an advisor.

CLOSED CLASSES

Beginning on the first day of class and no later than the end of the add/drop period, if there is an open seat in the classroom, the instructor may grant access (via MyFranciscan) to the student to enter the class, giving the student the ability to register him/herself for the class.

COURSE WITHDRAWAL

Beginning Thursday, January 27 through Friday, April 1 a student who does not want to complete a course may choose to withdraw. Withdrawal forms are available at the Enrollment Services counter in Starvaggi and must be signed by the student, the instructor, and the advisor. Resident students withdrawing from all classes must also have the signature of the Director of Residence Life. A grade of withdrawal (W) will be indicated on the transcript. This grade is not calculated into the student's grade point average.

ONLINE REGISTRATION

Log in to **MyFranciscan** through **Access FUS** and go to the Registration tab for online course registration.

REPEATING CLASSES

A student may repeat a course previously taken at the University. The last grade received will be used to compute the student's grade point average. A course that is retaken will count only once toward graduation requirements. The student's transcript will show both the original grade for the course and the grade earned when the course was repeated. If a student repeats a course at FUS that has been taken at another institution, the courses taken at the other college or university will be removed from the transcript.
