

HIGH SCHOOL Advantage Program Dual Enrollment

Franciscan University's Advantage Program offers dual enrollment for rising high school juniors and seniors (age 16+ with a minimum 2.4 GPA).

After completing a free, quick application, you can enroll in fully online courses at just \$600 per 3-credit course—earning college credits early and saving money. You can take up to 2 courses per semester and may qualify for automatic admission to Franciscan University after completing 3 courses with a 3.0 GPA.
